## **Be tick aware**

**Sharing on behalf of Nova Scotia Public Health**

**In summer and fall, people spend time at Nova Scotia's many beautiful beaches, parks, and wooded areas. However, we need to be mindful of the presence of ticks and how we can protect ourselves. These small insects are found across Nova Scotia and can cause tick-borne diseases (TBDs), including Lyme disease and anaplasmosis.**

**Ticks like moist and humid environments and can be found in or near woods, shrubs, leaf litter, long grass, urban parks and gardens. They can be very small, which makes them hard to spot and their bites don't hurt, which makes it difficult to know when you've been bitten.**

**Visit [NovaScotia.ca/TickSafety](https://NovaScotia.ca/TickSafety) and learn:**

- How to protect yourself - especially in grassy, wooded, or shrub-covered areas**
- What to do if you find a tick on yourself/your child**
- The signs and symptoms of tick-borne illnesses**

## 2025-26 Bus Information

Information about student transportation for the 2025-26 school year will be available to view online through the BusPlanner Parent Portal later in July.

- Families eligible for transportation will receive an email to access the Parent Portal to view their child's bus information once it is available.
- Once you receive the email, you must follow the instructions to activate your new Parent Portal account and create a password. Using previous Parent Portal login information will not work.
- If you can't find the email, please contact [transportation@hrce.ca](mailto:transportation@hrce.ca) or 902-431-4723 for assistance.

Over the summer, the HRCE Student Transportation team will also reach out to new HRCE families and those families who may require special needs transportation for their children with more information about busing.

Reminder: The Student Transportation team is available to assist you and answer questions about busing all summer at [transportation@hrce.ca](mailto:transportation@hrce.ca) or 902-431-4723. When contacting the team, please ensure you have your child's name, grade, school name and student ID number ready. Your child's student ID number can be found in PowerSchool or on the top of your child's report card.
